9. Unless specifically stated otherwise, any order continuing the sentencing hearing shall proportionately extend the deadlines described herein that have not yet passed.

10. In any case in which 18 U.S.C. §§ 3663-64 apply, counsel for the Government shall provide, if not already provided, within five (5) court days from the date of this Order, to the Probation Office all information necessary for the Probation Office to comply with crime-victim restitution requirements.

11. If, during the presentence report investigation, it is determined that Texas Juvenile Justice Division (“TJJD”) records are needed, the Court orders the TJJD to release these records to the probation officer assigned with preparing the PSR and/or the Addendum, acting in the performance of the officer’s official duties pursuant to Federal Rule of Criminal Procedure 32. The specific records that are to be released include documents pertaining to Defendant’s social history, court-disposition records, substance abuse treatment records, psychological evaluations, other mental health treatment records, educational records, general health records, adjustment-while-incarcerated records, and release dates from the TJJD.
